

Early Intervention Service Coordinator 1 Y – Renewal instructions

The Principles of Service Coordination training is required to move from the EISC 1Y to the EISC 5Y credential. Some may not complete the 80-hour training within the one-year timeframe.

For the one time, approved one year extension to the EISC 1Y credential, please email credential@occr.org. In your email, please include your name, OPIN, and a request for the one-year extension to your EISC 1Y. The credential team will be able to extend your credential for one-year timeframe.

After you complete all the modules for The Principles of Service Coordination, you will then apply for an Early Intervention Service Coordinator/Supervisor - 5Y following the instructions how to apply for an initial application.
