

Family Child Care Manual Procedure Letter No. 28

TO: All Family Child Care Manual Holders

FROM: Matt Damschroder, Interim Director

SUBJECT: One-Time Pandemic Support Payment: Type A Homes and Type B Homes

Background:

In June of 2020, the Ohio Department of Job and Family Services (ODJFS) began providing pandemic support payment grants to assist with costs associated with the pandemic. These grants ended in September 2020. In December 2020, Congress passed the Coronavirus Response and Relief Supplemental Appropriations Act of 2021. The Act provided Ohio with funding to help support programs with the pandemic. On May 17, 2021, Governor Mike DeWine signed Senate Bill 109 of the 134th General Assembly allowing for the appropriation of these funds to programs licensed under Chapter 5104. of the Revised Code. As a result, the following payment framework has been established.

Support:

Type A homes and type B homes licensed by the Ohio Department of Job and Family Services, who are not currently in enforcement, are eligible for this one-time payment. The payments are based on the program’s star rating AND license capacity. The license capacity is reflected on the license and includes private pay children and children eligible for publicly funded child care. This one-time payment is intended to support providers with program operational expenses related to the impacts of COVID-19.

The payments will be allocated based on the following payment structure:

Family Child Care Payment Structure:

License Capacity	1 star	2 stars	3 stars	4 stars	5 stars	Unrated
Up to 6	\$263	\$295	\$303	\$323	\$338	\$250
7 - 12	\$525	\$590	\$605	\$645	\$675	\$500
