

HFA Wrap-Around Training Verification
For Home Visitors and Home Visiting Supervisor Employed **After January 1, 2022**

HFA staff must take trainings that meet the wraparound training standards. Staff must complete training in each of the standard areas identified below. The suggested list of trainings below is provided by HFA and are available free of charge. The suggested list of trainings is not the only way to meet the standards, and programs are able to complete other trainings that meet their program's needs, including those offered by ODH and through the program's chosen curriculum.

Staff Name: _____ Staff OPIN Number: _____
